

Doors and doorways . . .

Around thirty-five years ago Helen and I were walking in a back street in the picturesque town of Clitheroe, nestled in the Pennines. I was puzzled by seeing all the front doors in the terrace wedged open. We could see flimsier-looking glazed inner doors closed at end far end of each hallway. There was snow on the ground, and I wondered how much heat was escaping from those houses.

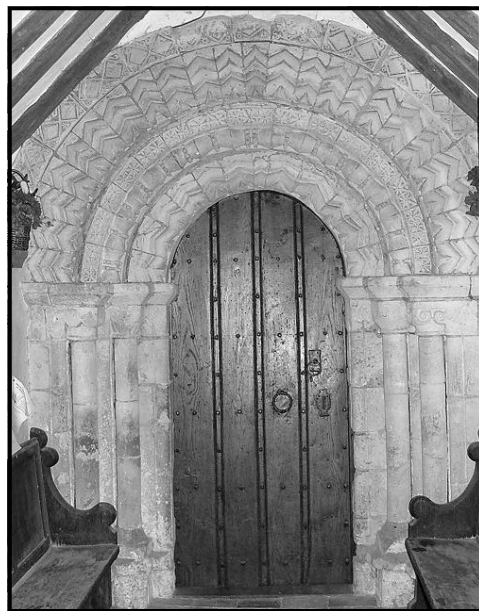

As a North Westerner, Helen explained to me that the doors were left open so that friends and neighbours could go in without having to knock. I wonder if those doors are still left open now.

I've been thinking about doors recently. By the time you read this, Revelation Christian bookshop in Norwich will have sadly closed, but I bought a book in their sale, *The Strait Gate*. It's about doorways and their significance (yes, really!).

Doors were developed sometime after humanity ceased to be a purely migrant species around 12,000 years ago. Some of our ancestors began to settle and build permanent shelters, and doors were used to control entrances. Inner doors came along much later.

But doors have never simply existed to allow people, animals and sometimes vehicles in and out. By design they can also invite or deter (think how forbidding prison gates look), welcome, impress or even intimidate.

We see these qualities in some of our ancient church doors. Early churches were designed to resemble heaven and we can imagine how awe-inspiring the carved doorways of Ashby St. Mary, pictured here, and Hellington Churches would have appeared when newly painted. Kirby Bedon has a similar archway and probably its original twelfth-century door.

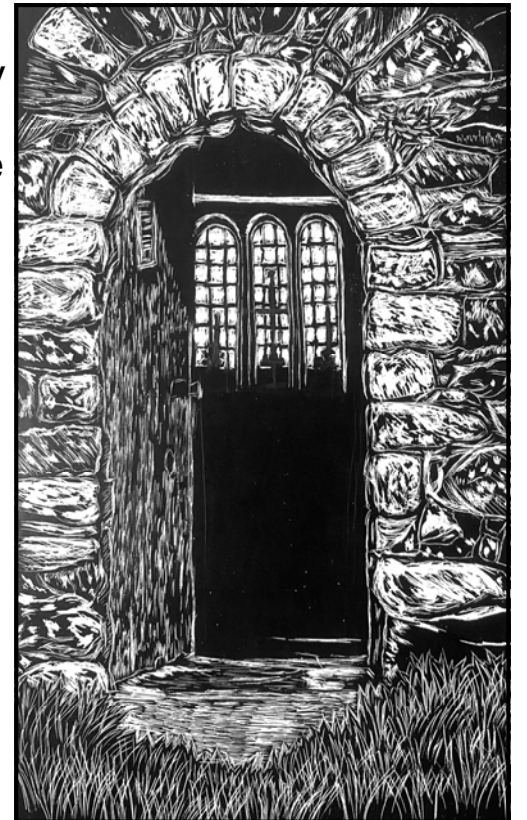

Modern supermarket doors use the opposite strategy. They are fully glazed, automated and brightly lit, nothing left to the imagination. Some newer churches are also embracing this kind of openness, which has the advantage of greater accessibility.

Coincidentally, I've been working on a picture of a tiny Welsh church with a half open door. You can see a detail from it in the cover photo.

St. Mary's, Tal-y-Lyn stands alone near a country road and lake named after St. Patrick in Anglesey. The picture is entitled 'Beyond.'

Looking through its open door, we see the dark interior of the tiny stone building. If we were to go inside, our eyes would gradually become accustomed and we would notice the massive, rough wooden beams above us, simple benches on either side, a small ancient pulpit and altar rail.

However, we would be most drawn to the light coming through the three equally sized arched windows at the east end. Perhaps there is one for each part of the Holy Trinity.

Looking past the slender altar cross and candlesticks, we would see the hills and fields beyond, framed in windows and divided into small rectangles by the glazing bars. It's more or less the same view we had outside, but somehow, it feels different.

By walking through the plain oak door set into rough stonework, experiencing the cool, dark inside of the church building which is soaked with the prayer of many centuries (as Fr Chris wrote in the previous *Eleven Says*), we see not only the landscape that was there when we pulled up outside, but also sense the greater Reality that lies inside and beyond it.

The Christian Church is made up of institutions, but is, or should be, always looking beyond itself. Archbishop William Temple said that it is the only organisation that exists primarily for the benefit of those who are not yet its members. In worship, its points (or should point) away from itself to God, who is Creator of the universe, source of Life, Light, and Love, but has also come close to us in Jesus and with us by the Holy Spirit.

We've come a long way from those open doors in Clitheroe at the beginning of this article. But now we're circling back, because Jesus also compares himself to a door, offering welcome, protection and access. In John 10.9, Jesus tells his followers, 'I am the door. If anyone enters by me, they will be saved and will come in and go out and find pasture.'

Remember to think 'Local'. Use it or lose it!

The opening paragraph of Chris Ellis's first page article in the last Eleven Says certainly drew my attention. Although really only suggesting what may happen at some future time, the spoof opener that all our churches were closing caused a sharp intake of breath and certainly drew my attention.

He was, of course, joking and aiming to shock but he made a very valid point!! A bit like Sir David Attenborough on global warming, he posed what may happen if we do not take action NOW.

Norfolk villages are at their very best when there is a strong community, preferably with amenities and facilities for villagers to use and enjoy. Rockland St Mary is now the only village in the group with a post office store . . . all the others have gone. Use it or lose it!

Use our village schools (rather than go to another slightly higher rated school elsewhere) or they will close.

Use the pubs or they too will be gone for ever. The Rockland pub has been closed for months for lack of support. Will it ever reopen again?

Use the bus services, rather than the car, or they will be withdrawn as uneconomical. Then how will the elderly get into Norwich or to their doctor?

Support our churches, the centres of village life for centuries, or they really **will** close. Whether you are a church goer or a believer is not important. Most of us value our village churches. but do not think of the cost of keeping them open, and without money, they cannot survive. Then, where would the family wedding, baptism, funeral or Christmas carol service take place? Where would we obtain spiritual support, at difficult times in our lives, without a local priest?

St Mary's Church in Rockland is some 300 years older than any other building in the village, dating back to the 1300s. It is amazing that it has been nurtured and maintained by villagers through the centuries, but more recently funding has become much more of a worry.

Some 10 years ago we set up a Friends Group in Rockland, mostly non church goers who recognize the importance of what the church stands for in our community. Since then this small group has raised almost £24,000 to support projects to maintain and enhance the church and ensure it stays open.

For just a few £££s we could **all** be Friends of our churches and ensure they continue to exist for centuries to come.

If you would like to join the Rockland Friends, or learn how easy it is to start a friends group in your village, do please drop me an email.

This is held at 9:30 am on Monday Mornings and has returned to Cherry House, Wheel Road, Alington.

Half an hour of praise, silence, meditation and prayer followed by tea and coffee for those wishing to stay.

Rockland St Mary Benefice Update

As the days shorten and the leaves change colour and fall, we offer a wide range of events and services we hope you will find helpful:

Harvest Festival Services. Our celebration of the Harvest season continues with Festivals at Carleton and Claxton (October 1st), Bramerton (October 13th) and Kirby Bedon (October 20th). As we thank God for the food we enjoy but never take for granted, we're collecting long-life goods for Norwich Food Bank. All in-date contributions will be gratefully received.

Warm Welcome Mondays at the Barn at Rockland Rectory Our final monthly gathering is on Monday **October 28th** (11 am-2.30 pm) before we resume our weekly pattern with **new opening hours (11.30 am - 4 pm) between November 4th and December 16th.** Warm Welcome is a drop in for people of all ages. You're welcome to come in for coffee, tea or a bite of lunch. You can stay for the day or pop in for an hour, to eat, or chat and catch up with friends. It's all free (donations welcome), including Barn Wi-Fi!

Café Church meets for discussion, refreshments, crafts, worship and children's activities at Rockland Parish Room on **October 6th and December 1st, 10.30 am - 12 Noon.**

Remembrance Sunday. On **November 10th** we will hold Acts of Remembrance in Bramerton, Claxton, Kirby Bedon, Surlingham (all at 10.50 am); Rockland St. Mary (9.30 am). Please join us as we continue to honour the fallen from our parishes and re-commit ourselves to peace and justice today.

Looking ahead: Tree of Light.

This year's service is on **December 1st.** Advent Sunday is the beginning of the Church's year and the season that leads up to Christmas. It's a time when our thoughts and feelings are with those we have loved and lost. At the **Tree of Light service in Rockland Church at 3.30 pm** there will be an opportunity to remember our loved ones, light candles and write their names on a star to be placed on the Christmas tree.

You are warmly invited to join us then. However, if you're unable to attend you're welcome to send us the names of those you remember; we will write them on a star, place them on the Tree and light an individual candle for each person. Please contact us for more information.

The stars will remain in Church until the end of Christmas (January 5th, 2025) and you're welcome to visit on any day during that period.

Revd Nick Garrard: 01508 538014

Thurton Benefice Update

The Common Cup has been re-introduced in the Thurton Benefice in line with Church of England guidelines and has generally been welcomed by congregations. Provision will always be made for those who would prefer not to share the Common Cup for health or personal reasons. Please speak to me or the church wardens for further information or if you have any concerns.

The Commemoration of the Faithful Departed (All Souls' Day) will be observed in the Thurton Benefice on **Sunday 3rd November** at 4 pm at St Andrew's Church, Framingham Pigot. I always write to personally invite the families of those who have died in the past year, but the service is very much open to all who would value the opportunity to remember their departed loved ones by name and light a candle in their memory.

Remembrance Sunday

Services will be held in all five parishes in the benefice on the **10th November.** Ashby St Mary at 10.50 am; Bergh Apton at 10.30 am; Framingham Pigot at 10.50 am to include Holy Communion; Thurton at 2 pm; Yelverton at 9.30 am to include Holy Communion.

My thanks to the Revd Dr Andrew Sangster and the Reverend Kate Belcher for helping to provide services as we remember all who have suffered the consequences of war and conflict.

Safeguarding

The churches of the Thurton Benefice are committed to the safeguarding, care and nurture of everyone within our Church community. If you have a safeguarding concern please contact our Safeguarding Officer, Mrs Leo Smith, 01508 493695 or myself on 01508 484174. Where a child or adult is at imminent risk, call 999.

Home visits and Home Communions

I am very keen to visit anyone who is unwell or feeling isolated or lonely, either simply for a conversation or to share Holy Communion in their home. Please do contact me if you, or anyone you know, would like a visit. I am particularly keen to hear if a parishioner has been admitted to hospital; I would rather be told several times than not at all!

Bishop Timothy Dudley-Smith

In August I was saddened to learn of the death of Bishop Tim Dudley-Smith in Cambridge, aged 97.

Bishop Tim came to Norfolk as Archdeacon of Norfolk in 1973, before moving into Bramerton Meadow as Bishop of Thetford from 1981 to 1991.

Shortly before his retirement, Helen and I met him in Bramerton when I was applying for a curacy in the Diocese. I recall the interview as being fairly rigorous, but whenever I met him thereafter he was warm and friendly. He and his wife Arlette first retired to Wiltshire, before moving closer to their family in Cambridge.

Bishop Tim became one of the greatest English hymn writers of modern times, composing over four hundred hymns, including 'Tell out my soul' and 'Lord, for the years'. Many of his hymns appear in the hymn book still used in Bramerton Church. He was a person of strong faith and integrity, and we give thanks for his life and time spent here in this part of Norfolk.

Garden of your dreams by Chris Limbach

Have you ever visited any of the great National Trust gardens such as Great Dixter or Batemans? Wonderful colours and scents, visually stunning and all set in beautiful surroundings.

Well, recently at one of the Worship in Stillness mornings in Alington, we were asked to imagine going through a gate and seeing what was on the other side. Of course, for each person it would be different and some might think of such a glorious garden; for others it might be wonderful Alpine scenery and for yet others it could just be the gentle sound of a babbling brook.

I was reminded of the painting by Holman Hunt where Jesus is standing at the door and knocking.

In the picture in my mind, it was me knocking on the door asking to be let in.

When Jesus opened the door, I was invited in to see the most glorious of gardens.

Unlike the National Trust where a sizeable entry fee is required, Jesus said that to enter His garden there was no charge as he had already paid the price in full.

The final verse of the hymn "When I survey the wondrous cross" goes like this:

Were the whole realm of nature mine
that were an offering far too small
love so amazing, so divine
demands my soul, my life, my all

Thank you Jesus

St. Peter's Church clock dials restored!

In late 2023 the three daughters of Christopher Hawes, who had served as Churchwarden for 28 years, approached Revd. Nick Garrard offering to pay for the restoration of the three clock dials to fulfil their father's long held wish. PCCs rarely receive such generous offers and it was gratefully accepted, so starting a long and sometimes fraught adventure.

What was a straightforward 'redcoration' project still required an application for a Faculty, which are really designed for large and more complex projects, but there being no simpler process an application was submitted in mid December with the approval certificate finally issued in mid-March. This enabled an order to be placed with Smith of Derby who made the clock in 1928 (costing £164!) and have maintained it since. It had been planned to access and remove the dials by abseiling but the risk of damage to the Nave slate roof was considered too great, so scaffolding was used. With hindsight this was the correct decision as the 48"

diameter dials were quite cumbersome and heavy to manhandle and lower to the ground.

Once the dials were back in Smith's works it was discovered that each had two cracks in the cast iron main frames which were repaired by specialist welding. Each dial has 24 copper infill panels which when removed were found to be distorted so these had to be heated and carefully flattened by hand. All the drive gears to the hands were cleaned, cog wheels polished and other parts painted. Following shot blasting to clean the dials they were given several coats of primer, undercoat and the 'regulation blue' finish coat all of which were cured in a large oven. The copper hands, numerals and minute marks were finished with gold leaf.

Interestingly not all English church clocks have blue faces, but the generally accepted view is that Henry VIII decreed that, following God's command to Moses (Exodus 39) to make Aaron the priest "garments of blue with gold bells", church clocks should be "*blew with the signs upon them gilt*".

Following the reinstatement of the dials, their drives and setting up, the lime mortar pointing around them was replaced where necessary and the scaffolding finally removed, the whole process taking 10 weeks. From the condition of the dials and that no record could be found anywhere of previous work, it is considered that this is the first restoration since they were installed in 1928!

Throughout the project regular reports and photographs were sent updating the daughters and on a typical wet bank holiday Saturday they visited to see the finished dials in all their splendour. The PCC arranged a small gathering of those who had helped in the project to meet and to thank them for their very generous donations which had also helped our Roof Appeal fund via Gift Aid and reclaimed VAT.

The PCC now moves on to the Roof Repairs project.

Tony Evans.

Carleton St Peter

There are so many people to thank for their help, time and donations in making this years flower festival another success. The weather behaved and was perfect which made for a busy two days and we were able to raise over £1000.

Observing, we had many visitors who had past ties with the church and it was great to put on an event which brought all those people back to Carleton St Peter.

We were also well supported from the surrounding parishes and it was lovely to see everyone stopping and enjoying the moment and catching up on the news.

There is a wedding at the end of September and it seems a long time ago that Carleton hosted such an occasion, and we wish Robert and Elizabeth (groom and bride) every best wishes.

Thank you to all of the committee for your support and help and those who pray and worship at Carleton St Peter Church to help keep it going.

Claxton

Claxton village hall news

The Village Hall Committee was delighted to invite residents to the first raising of the Union Flag on our new flagpole. This was held on Sunday 8th September, a fitting day as the flagpole was intended to celebrate the accession of Charles III, and this was the second anniversary of that event. Despite a great deal of misrepresentation in the local and national press we have received many messages of support and offers of contributions. The flag was raised at 9 am, the National Anthem was played on the saxophone by Paul Carter and residents celebrated with tea, coffee prosecco and bacon rolls provided by the Community Café.

At the end of September a new heating system will be installed in the Village Hall. We hope the new air source heat pump will provide more effective and environmentally friendly heating. We have done our best to organise this with as little disruption to our hirers as possible and most events will go ahead as planned.

We have two vacancies for trustees so if you would like to find out more about supporting this valuable community facility please contact Adrian Gidlow 01508 480173.

Well done to the Playground Fund Raisers who took over the August café. The usual team (apart from Judy who supports both groups) enjoyed putting their feet up and a useful sum was raised towards the playground.

We were back to normal for the September Café, although we are still seeking volunteers, especially someone to help wash up. Any help would be gratefully appreciated. Please talk to us at our next café which will be on Wednesday 2nd October, when we will be organising a raffle, running a produce stall and donating all our profits to Macmillan.

We are planning to run the café at a slightly later time and offer simple lunches of homemade soup etc. for the months of December, January and February.

Framingham Pigot

A Sunny Afternoon in Framingham Pigot!

It was a lovely sunny afternoon for the annual Garden Party at The Cottage on the Beck in Framingham Pigot on the 17th August.

It was wonderful to see so many people enjoying the company of friends and neighbours in the beautiful surroundings of Leeanne's garden. Thank you for all your support.

There were numerous stalls, with crafts, plants, vegetables, a raffle and tombola. Leeanne's daughter, Arabella and her friend Betsy, had their own special Sweet and Lemonade stall, and the stall selling locally grown lavender products was a pleasure to stand next to! Light refreshments were served amongst the colourful flower beds and it was a beautiful summer afternoon enjoyed by everyone.

The sum of £560 was raised to be divided between St Andrew's Church and EACH, and sincere thanks go to Leeanne and her family and all the helpers who made the day so perfect for us all to enjoy.

Rockland St Mary and District W.I.

It's been a good summer with a well-attended garden meeting in August at "Applebee" and for some members an exciting day at Tibbenham Airfield, when we had the opportunity to go up in a glider, either towed by a single prop plane or propelled 1000 feet into the air by what seemed like a giant catapult! Very exciting! A full description of the day was publicised in The National W.I. Magazine.

Sue Sursham is coming on October 8th telling us about her journey through Vietnam, Laos and Cambodia.

We have an Open Meeting on November 12th when we welcome back Lynton Johnson who will be giving a talk and demonstration on "Christmas Food and Flowers". W.I. friends and their guests will be very welcome to come along for what promises to be a very fun and informative evening. There will also be a raffle.

New members and visitors are always very welcome to come along and give us a try! All our meetings are held on the 2nd Tuesday of the month at 7.30 pm in the Margaret Mack Hall. For more details / lifts please contact Sandra 538100 or Ruth 538231.

Surlingham

Through the summer I have met many visitors at the Church coming from near and far, some with past knowledge of living here and family links.

The 'Bug' exhibition has given a lot of pleasure and children have enjoyed 'interacting' with them.

We had a special service, which was well attended, to acknowledge the amazing number and value of insect species and our dependency on them.

There will be a new 'making' workshop at the Craft Fair on 19th October, in the Church from 1.30 pm to 4.30 pm. There will be a wide range of wonderful work made by local creative people, so do come and see and maybe source some special Christmas gifts. There will also be tea and cakes available and music too.

It is that challenging time of year for our young people going back to school, or starting school, or moving up in education. We wish them all well.

### Thurton and Ashby St Mary Pre-school

We've had a fabulous start back to the new term with our lovely returning children and lots of new faces. The children have all come back ready for their new year of learning with excitement and smiles.

They have already enjoyed a whole host of activities such as testing out their physical skills on our new balance beams, bug hunting under our log area, getting creative with paint, glue and scissors and a whole host of imaginative games and role play!

The older group of children have also had their first visit to the woodland and are loving learning with all the things that nature has to offer. We can't wait to see what the rest of the term holds.

Thurton and Ashby St Mary Pre-school is a unique, outdoor setting based out of Thurton Village Hall with Woodland Wanderer sessions that run twice a week.

## Care that works for you

Our founder, Peter Shaw, was less than impressed with the care received by a number of his relatives, he believed there must be a better way.

Focusing on the quality of care, careful recruitment, high quality training and paying The Home Team's professional carers better and more fairly than other home care companies.

Above all, it's about allowing enough time to care for our clients as they would really like. On time and never rushed, our care is tailored specifically to the individual client. Which is why, according to the national review site [homecare.co.uk](http://homecare.co.uk), The Home Team is one of the top client-rated home care companies in Norfolk.

- Companionship

**Please note:** At Holy Communion, where only two readings are used, the first reading will usually be the Epistle, and the second will always be the Gospel reading. At other services where two readings are used, the first will usually be the Old Testament reading, and the second can be either the Epistle or the Gospel readings.

At the going down of the sun,  
and in the morning . . .  
we will remember them
